# Passenger Information

This leaflet contains details of bus services 137 & 138 which run between Dundee, Downfield, Bridgefoot, Strathmartine Hospital and Kirkton of Auchterhouse and is effective from Monday 5 June 2017.

## Changes since the August 2016 edition of this timetable

A reduced bus service will be introduced on three routes for Dundee, Bridgefoot, Auchterhouse, Tealing and Murroes from 5 June.

From that date the routes (137, 138 and 139) will be served by one bus rather than two.

The cost of retaining the existing service was found to be substantially higher than the available budget, which also requires necessary savings to be made. The removal of one bus from the routes will realise savings of about £30,000.

Studies of demand and use of the service showed it caters for up to 24 passengers a day (Mon-Fri) and 17 on Saturdays (there's no Sunday service). Alternative bus services – at slightly earlier or later – are still available to those travelling to and from work.
